

Local Bridge Conference Committee Description

Purpose:

This Committee's task is to envision and oversee the development of the annual conference. The Association members on the committee act as support with our partners within NYS LTAP Center - Cornell Local Roads and NYSDOT.

Time Commitment:

Meetings of this Committee occur after winter conference and in June by Zoom. Any other communication is done by email.

Responsibility & Procedures:

There are no procedural outlines for the committee. To offer support for this event, leverage NYSCHSA's presence at the conference, moderate a session; and assist with the Regional spotlight.

Goals:

Choosing appropriate sessions and provide for a successful conference

Support:

This committee is a support for both the NYS LTAP Center – Cornell Local Roads and the NYSDOT.
