

Transportation Industry Committee Description

Purpose:

This Committee's (affiliates) task is to advocate, with an emphasis on educating politicians on the need for building and maintaining infrastructure. This Committee is also the "voice" of NYSCHSA's affiliate members and ensures an active and rewarding membership experience that offers value and good exposure.

Time Commitment:

This Committee meets in person twice a year at the Winter and Summer Conferences. Additional online meetings take place throughout the year to discuss conference and advocacy day planning.

Responsibility & Procedures:

- Leadership support with Advocacy Day, attending/setting up meetings with Assemblyperson/Senators
- Advocate Support of Association through affiliate sponsorships for Winter, Summer conferences and Advocacy Day
- Give Vendor & Consultant Affiliate feedback on conferences
- Advocate for various Funding to support the Industry
- Support policy/processing change recommendations to NYSDOT in support of County initiatives

Goals:

- Maximize participation of Affiliates at Conferences & Advocacy Day
- Attend, with NYSCHSA group important political fundraisers
- Increase members & sponsorships to support the Association
- Support awareness/needs of the Heavy Highway Industry to increase available funding at State/Federal level

Support:

This committee is supported by NYSCHSA members and Association staff.
