

JOIN THE FORCE

Behind New York's County Highways and Facilities

The New York State County Highway Superintendents Association (NYSCHSA) is expanding its reach to include facilities management professionals. Join us in shaping the future of New York's infrastructure alongside county highway and public works leaders. Are you ready to collaborate with professionals dedicated to building and maintaining top-tier infrastructure across New York State? NYSCHSA invites **Facility Affiliates** to join a network of leaders committed to enhancing county highways and facilities. Together, we can strengthen our communities and improve the infrastructure that supports them.

Why Join NYSCHSA as a Facilities Affiliate?

BUILD VALUABLE CONNECTION

Connect with a diverse network of professionals – from facility managers to construction experts – all dedicated to improving New York's infrastructure.

EXCLUSIVE RESOURCES

Access to new technologies, specialized management tools, reports, and best practices to streamline operations and boost efficiency.

ADVANCE YOUR CAREER

Gain new skills and certifications through specialized training designed for facilities professionals in the public sector.

Be part of a collective voice advocating for county infrastructure improvements on the state and federal levels.

WHAT WE OFFER

Educational Opportunities

Attend and/or present cutting-edge seminars and webinars focused on the latest trends, codes, and technology in facilities management.

Educate our membership on your products and services through our exhibit opportunities.

Collaborative Projects

Work on infrastructure projects statewide that directly impact your community, alongside experts in engineering and design.

Discounts and Perks

Enjoy discounts on training, access to exclusive member events, and early registration and exhibit sponsorship opportunities for conferences.

Who Should Join?

Facility Consultants or Managers

Maintenance Professionals: HVAC, Electricians, Plumbing Technicians, BAS Specialists, and more.

Construction Professionals: Architects, Engineers (Civil, Structural, MEP), Sustainability Experts.

Vendors & Suppliers: Service providers like janitorial, landscaping, and others who support facilities management.

Member Benefits

- Free or discounted access to NYSCHSA-hosted events.
- Networking with state and local leaders in the infrastructure and public works sectors.
- Join a community that oversees the repair and restoration of over 6 million square feet of vital facilities, including highways, courthouses, wastewater treatment plants, and more – all contributing to public service and community well-being.
- Opportunities to serve on committees and help shape the future of county infrastructure.
- Opportunity to showcase your products and services through exhibit opportunities.
- A wide array of tools, resources, and industry insights to help you in your daily role.

How to Get Involved

Become a **NYSCHSA Facilities Affiliate** today and contribute to the transformation of New York's county infrastructure!
